Daytrip to Cape Jourimain Nature Centre & Summerside Legion Country Music Kitchen Party

Saturday, September 29, 2018

Cost per person - \$84.

Join us for a great day of discovering the marvels of **Cape Jourimain Nature Centre**. Several self-guided tours are available to you:

Nature trails: Easy walking access to coastal flora and fauna – experience the ocean, marshes and coastal forest in a brand new way.

Walk the beach: with the stunning backdrop of the Confederation Bridge

Birdwatching: Witness some of the 200 species of birds who visit Cape Jourimain throughout the year. Cape Jourimain is on a major bird migratory route. Lucky visitors may experience some Ospreys' majestic flight as they soar over the salt marshes and coastlines in search of food.

Lighthouse: Constructed in 1869

Museum and Exhibit Hall: reveals the natural and human experience of Cape Jourimain. Be sure to learn of the history of **The Iceboats**, a perilous method of transport between Prince Edward Island to the mainland during the long winter months.

Confederation Bridge observation deck and tower: the perfect vantage point to take in the phenomenal Northumberland Strait. You'll be amazed by the 360° degrees view. You'll enjoy the best view of the engineering marvel that is the Confederation Bridge as well as of the marshes, an osprey nest, the forests, the lighthouse and more!

Lunch options: you may bring your own lunch and enjoy at one of their picnic tables (we will provide chips, water, pop at no charge) or you may buy a leisurely lunch at their Iceboat Restaurant.

Kitchen Party at the Summerside Legion: ready for an afternoon of lively country music revelry? Enough said! Our group will be seated together to enjoy non-stop toe-tapping music featuring some of PEI's best musicians. Following this frolic, we will enjoy supper at the Legion.
